The Cuban News.

The President sent an ultimatum to Spain on April 20, giving Spain un- of the United States, have been a distil Saturday noon to' say that unless Cuba was abandoned by Spain, the United States would forcibly inter-

Mr. Woodford on receipt of the ultimatum cabled the President that diplomatic relations between himself and the Madrid government were already severed.

The Queen of Spain made a frenzied harangue from the throne to the newly assembled cortes and the Spanish fleet is on its way to America.

The North American squadron and the Flying squadron have sailed for Cuban waters.

By daylight yesterday morning the battleships will be signalling Havana to surrender.

THE RESOLUTIONS.

Full Text of the Document That Makes War Certain.

Washington, April 19.-The resolution as agreed to is as follows:

"Joint resolution for the recogni-tion of the independence of the peo-ple of Cuba, demanding that the gov-ernment of Spain relinquish its au-thority and government in the Island of Cuba and to withdraw its land and naval forces from Cuba and Cuban waters, and directing the President of the United States to use the land and naval forces of the United States to carry these resolutions into effect:

"Whereas, The abhorrent condi-

tions which have existed for more than three years in the island of Cuba, so near our own borders, have shocked the moral sense of the people grace to Christian civilization, culmi-nating, as they have, in the destruc-tion of a United States battleship and 266 of its officers and crew, while on a friendly visit in the harbor of Havana and can not longer be endured, as has been set forth by the President of the United States in his message to Con-

"First—That the people of the is-land of Cuba are and of right ought to

be free and independent.
"Second—That it is the duty of the "Second—That it is the duty of the United States to demand and the government of the United States does hereby demand that the government of Spain at once relinquish its authority and government in the island of Cuba and withdraw its land and naval forces from Cuba and Cuban waters.

"Third—That the President of the United States be, and he is hereby directed and empowered to use the en-

attleships will be signalling Havana o surrender.
